

# Heaven's Light

Verse 1:

In the stillness, Your voice calls us near.  
Through the darkness, we know You are here.  
With each whisper, Your love fills the air.  
We're surrounded by heaven, Your light everywhere.

Chorus:

Heaven's light, shining so bright.  
Guiding us through the darkest night.  
We surrender, we bow in praise.  
Our hearts forever in Your grace.
