

# Light of the World

Verse 1:

You are the light that pierces the dark,  
You are the flame that leaves a mark.  
We are Your vessels, we shine bright,  
Bringing Your truth to a world in fright.

Chorus:

Light of the world, we shine for You,  
In all we do, Your love is true.  
We are the light, we spread Your name,  
Shining through, forever the same.
